

Clinical Immunization Requirements

Health Professions Department

****MANDATORY: ALL immunization series or positive titers must be completed by Orientation****

- **Measles, Mumps & Rubella- (MMR)** - documentation of **2 MMR shots**.
- **Varicella (Chicken Pox)** – documentation of **2 Varicella shots**.
- **Hepatitis B (Hep B)** – documentation of **3 Hep B shots** (Bluestar Diagnostics offers a **2-shot** series that can be completed in 28 days).
- **Tuberculosis (TB) test** - this skin test **MUST** be done every **12 months**. Documentation **MUST** include the date that the test was started and the date that the test results were read.
- **Tetanus, Diphtheria & Pertussis (TDaP)** – documentation must show a TDaP booster within the last **10 years**. *Not to be confused with the DTaP or TD shot, they are not the same vaccine.*
- **Influenza (Flu) Shot** - seasonal flu shots are required if a student will complete clinical shifts any month between August and May—early Fall to late Spring.
- **COVID-19 Vaccination** – Collin College does not require students to be vaccinated to attend class. However, some of the College’s clinical partners have mandated all students be fully vaccinated to be eligible for clinical rotations at their facility. If the student is unwilling to comply with the requirements of our clinical partners, Collin College will not be able to guarantee clinical placement.

Our credentialing vendor responsible for student background checks and documentation processing is **Bluestar Diagnostics**. They can provide immunizations and draw titers, if needed. Here are their locations and contact information:

- **Plano:** (469) 656-7999; 720 East Park Blvd #102, Plano, TX 75074
- **Dallas:** (469) 778-5222; 10611 Garland Rd. #112, Dallas, TX 75218
- **Frisco:** (469) 294-1744; 9300 John Hickman Pkwy. #901, Frisco, TX 75034

Please note:

All student **MUST** have the correct documentation uploaded into Blue Star Diagnostics by their class deadline date. This date will be given to students by their Professor at the beginning of the course.

*** * * Due to the complex nature of clinical placement along with the expectation of our clinical partners, students who do not meet the deadline will NOT proceed into the clinical portion of the course. * * ***

Due to FERPA, we will only be able to communicate with students enrolled in the course and through your Collin email address.
