Dear Student:

Per Texas Education Code (TEC) 51.9095, a male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue unless they are registered with selected service or exempt from registering. In either case, a male student must provide proof of registration or exempt status.

In certain cases; specifically, a male student who is currently exempt but that status may change, the student must sign a statement annually to verify that their current exempt status is still in effect, until such time as the student can register for selective service.
